

PEDI BLUE - BLS patient simulator (SmartSkin) - OMNI2

PRODUCT NUMBER: 1238

DESCRIPTION:

PEDI® Blue with OMNI® 2 is a full-term neonate patient simulator designed to aid in the training of neonatal nursing care and resuscitation skills. PEDI® Blue includes the new OMNI® 2 control tablet, which features CPR feedback, virtual patient monitor support, and debriefing tools in one affordable package.

This manikin adds a higher fidelity airway and limb articulation to the PEDI BLUE Standard simulator.

SKILLS:

- Pediatric airway management
