

ZACK - Multipurpose male care

PRODUCT NUMBER: 1198

DESCRIPTION:

The ZACK™ Multipurpose Male Care Simulator is a **full-sized, adult male lower torso** (abdomen and pelvis) designed to provide health care professionals with hands-on **training in the skills required to perform men's healthcare procedures**.

It is useful for demonstrating and practicing catheterization exercises, prostate examinations, testicular examinations, no-scalpel vasectomy, and rectal/colon examinations.

SKILLS:

- Catheterisation exercises
- Prostate examination
- Testicular examination
