

HAL - SURGICAL AIRWAY & CPR SKILLS TRAINER

PRODUCT NUMBER: 1222

DESCRIPTION:

HAL® is a portable airway management and CPR skills trainer. HAL was designed to help you teach basic and advanced airway management as well as cardiopulmonary resuscitation. HAL helps participants learn to recognize laryngospasm and practice performing emergency tracheotomies and cricothyrotomies.

HAL® is available in a full-body configuration.

SKILLS:

- Airway management
- Nasal and oral intubation
- Resuscitation training (CPR)
