

MANIKIN FACE OVERLAY JUNIOR SHAUN

PRODUCT NUMBER: 1976

DESCRIPTION:

The most realistic and practical silicone face to transform your patient simulator for more engaging simulation training.

They are designed to fit most manikins; this particular face will fit best on the Laerdal Junior Manikin.

CHARACTERISTICS:

HISTORY

- Shaun is an 8 year old boy living with his family in South Auckland.
- He has been brought into the hospital with stomach aches.

FEATURES:

- Created with a very soft and durable Silicone.
- Shaun has his eyes closed.
- Features might be slightly different that those shown on pictures.

INSTRUCTIONS FOR USE:

- Our overlays have a convenient strap with Velcro at the back, so putting the face on the manikin is very easy.
