

# Facial cover for women - Paola

PRODUCT NUMBER: 4024

## DESCRIPTION:

The most realistic and practical silicone face to transform your patient simulator into a more immersive simulation training. Add realism to your simulation training. Scenarios are more believable and engaging. It also helps overcome age, gender and racial bias.

They are designed to fit most manikins; this particular face will fit best on the Laerdal Sim Man nursing manikin.

Our face covers can also be worn by standard patients, depending on the shape of the wearer's face.

## CHARACTERISTICS:
