

ADULT SKELETON WITH MOVABLE SPINE AND MUSCLE MARKINGS - PETER

PRODUCT NUMBER: 2132

DESCRIPTION:

This therapy skeleton offers marking of the muscle origins and insertion points on one body side in addition to the moveable vertebral column.

CHARACTERISTICS:

The model has the following characteristics:

- Natural casting of a human skeleton
- Representation of all anatomical details, fissures, foramina and processes
- Skull can be dismantled in three parts
- Removable arms and legs
- Gliding joints in shoulder, hip and ankle
- Leg can be dismantled at the knee
- Removable foot
- Movable shoulder blades
- 5-leg, safety castor-mounted stand
- Marking of muscle origins and insertion points on one body side
- Fully moveable vertebral column with flexible intervertebral discs and emerging spinal nerves
- With detailed manual.

- Size: 176 cm
- Weight: 9.5 kg

INCLUDE:

- 1 Full-body skeleton with movable spine and muscle markings
- 1 Stand

ADDITIONAL MODULES:

DUST COVER FOR SKELETON MODELS (option):

- This dust cover is made of sturdy plastic fabric, it is tear resistant and provides perfect protection against dust accumulation.
- The cover is simply pulled over the skeleton and is virtually indestructible because it has no fragile parts like e.g. zippers that could be destroyed.
